歌名 古老的大鐘 Grandfather's Clock
年代 2002
作詞 Henly Clay Work
作曲 Henly Clay Work
演唱 平井堅

My grandfather's clock was too large for the shelf,
So it stood ninety years on the floor.
It was taller by half than the old man himself,
Though it weighed not a pennyweight more.

It was bought on the morn of the day that he was born,
And was always his treasure and pride.
But it stopped, short, never to go again When the old man died.

Ninety years without slumbering, tick, tock, tick, tock,
His life seconds numbering, tick, tock, tick, tock,
But it stopped, short, never to go again When the old man died.

In watching its pendulum swing to and fro,
Many hours had he spent while a boy.
And in childhood and manhood the clock seemed to know
And to share both his grief and his joy.

For it struck twenty-four when he entered at the door.
With a blooming and beautiful bride.
But it stopped, short, never to go again When the old man died.

For it struck twenty-four when he entered at the door
With a blooming and beautiful bride.
But it stopped, short, never to go again When the old man died.

In rang in alarm in the dead of the night,
An alarm that for years had been dumb.
And we knew that his spirit was pluming for flight,
That his hour of departure has come.

Still the clock kept the time, with a soft and muffled chime,
As we sliently stood by his side.
But it stopped, short, never to go again When the old man died.

Ninety years without slumbering, tick, tock, tick, tock,
His life seconds numbering, tick, tock, tick, tock,
But it stopped, short, never to go again When the old man died.

It stopped, short, never to go again When the old man died.

歌的故事

這首有著哀傷歌詞及憂鬱曲調的童謠，是於距今 120 年的 1876 年於美國製作完成。作者 Henly Clay Work 是十九世紀美國相當有名的作曲家。日本也於昭和三十七年時於 NHK「大家的歌」節目中介紹過，另外也是日本音樂教科書中一定會有的一首童謠。而對平井堅來說，「古老的大鐘」是一首很特別的歌。從前，媽媽常常會在廚房唱這一首歌給他聽，因此，在他還小的時候，早就對這首歌朗朗上口了。
